Chapter 1

THE THEORETICAL AND CONCEPTUAL PART	17
-------------------------------------	----

1. Basic concepts of company competitiveness	
Marian Gorynia, Barbara Jankowska, Piotr Tarka	17
1.1. Competition as a basic concept for competitiveness	17
1.2. The essence of competitiveness	21
1.3. Definitions of company competitiveness	24
1.4. Classifications of company competitiveness	27
1.5. Dimensions of company competitiveness – an attempt at conceptualisation and operationalisation	28
1.5.1. Competitive position	29
1.5.2. Competitive potential	30
1.5.3. Competitive strategy	32
1.5.4. Competitive advantage	36
1.6. International competitiveness and company internationalisation	39
2. The main concepts of company internationalization	
Marian Gorynia, Barbara Jankowska	40
2.1. Models of internationalisation	40
2.2.1. The sequential (conventional, traditional, evolutionary) model	40
2.1.2. Unconventional internationalisation and simultaneous internationalisation	50
2.1.3. Internationalisation from the viewpoint of the network approach	53
2.2. Measuring internationalisation	61

3. Currency and monetary union and the operation of the euro zone as determinants of company competitiveness	
Marlena Dzikowska, Maciej Pietrzykowski	63
3.1. Theoretical foundations of Economic and Monetary Union	63
3.1.1. Monetary union as a form of international economic integration	63
3.1.2. The optimum currency area theory	67
3.1.3. The construction and workings of the monetary union in EU member states	72
3.2. The operation of Economic and Monetary Union and Poland's position	77
3.2.1. Differences in the levels of economic development	77
3.2.2. Nominal, real and legal convergence	83
3.2.3. The mobility of production factors and labour market flexibility	88
3.2.4. Economies' openness	91
3.2.5. The diversification of production and the level of intra-industry trade	93
3.2.6. Business-cycle synchronisation	95
3.2.7. The problem of asymmetric shocks	97
3.2.8. Monetary and fiscal policy under monetary union	98
3.3. The euro zone as an optimum currency area	101
4. An analytical scheme of the influence of Poland's accession to the euro zone on the international competitiveness and internationalisation of Polish companies	
Marian Gorynia, Barbara Jankowska	104
4.1. An analytical scheme as a research tool	105
4.2. An analytical scheme of the influence of joining the euro on the international competitiveness and internationalisation of Polish companies	105
4.3. Poland's accession to the euro zone – implications for the international competitiveness and internationalisation of Polish companies – a deductive and literature-based approach	110
4.4. The influence of Poland's accession to the euro zone on the international competitiveness and internationalisation of Polish companies – exploratory research	117
4.4.1. The methodology, assumptions, characteristics and method of data analysis	117
4.4.2. Characteristics of the sample under study	121
4.4.3. The influence of Poland's accession to the euro zone on Polish companies' competitive potential	122
4.4.4. The influence of Poland's accession to the euro zone on Polish companies' competitive strategy	124
4.4.5. The influence of Poland's accession to the euro zone on Polish companies' competitive position	126
4.4.6. The influence of Poland's accession to the euro zone on the internationalisation of Polish companies	126

4.5. Accession to the euro zone and Polish companies' competitiveness and internationalisation – the current state of knowledge and exploratory research results – an attempt at confrontation	129

Chapter 2

THE EMPIRICAL PART 133

1. The research methodology	
Piotr Tarka	133
1.1. The sample-selection process	133
1.2. The characteristics and assumptions of the study	135
1.3. Operational criteria for the study (coordinators' and interviewers' work in spatial terms)	144
1.4. Assumed data analysis criteria and methods	144
2. Empirical research results	
Marlena Dzikowska, Marian Gorynia, Barbara Jankowska	
Maciej Pietrzykowski, Piotr Tarka	146
2.1. Characteristics of the sample investigated	146
2.2. The benefits and risks associated with Poland's accession to the euro zone	148
2.3. Poland's accession to the euro zone and the international competitiveness of the companies surveyed	159
2.4. Poland's accession to the euro zone and company internationalisation	171
2.5. Euro-sceptics, euro-neutrals and euro-enthusiasts – survey respondents	177
2.6. A summary of the research results	179

Chapter 3

THE PRESCRIPTIVE PART 181

1. Introduction	
Marian Gorynia	181
2. Recommendations for companies	
Marlena Dzikowska, Marian Gorynia, Barbara Jankowska	184
2.1. General recommendations	185
2.2. Detailed recommendations	189
3. Recommendations for economic self-government	
Marian Gorynia, Barbara Jankowska	197
3.1. Economic self-government as a market economy institution	198
3.2. Forms of economic self-government and its role in increasing competitiveness	200

4. Implications for economic policy	
Marian Gorynia, Barbara Jankowska, Maciej Pietrzykowski	204
4.1. General recommendations	205
4.2. Specific recommendations related to the introduction of the euro	211
5. Suggestions for further research	
Marian Gorynia	220
